

Dear Parents,

Each year we focus in on a critical need for which we need to raise funds. You may know that our little league in general leaves much to be desired. This year it is our goal to raise enough money to have a new electronic scoreboard, a sign to enhance the entrance to the fields, and clean up the area around the T-Ball field.

The raffle ticket fund raiser we have chosen could easily cover the expenses, and in conjunction with Cap N Cake day should provide the money we will need for the rest of the season. However, we need everyone's support!

At registration your child will come home with an envelope containing 25 raffle tickets. These tickets will be sold for a \$2.00 donation. They will be entered in numerous raffles throughout the 2012 baseball season for a chance to win money prizes of up to \$200.00!

With the support all the players have from family and friends, selling 25 tickets should be a piece of cake. For those of you who will need more tickets to sell, you can contact any board member or your Team Mom and they will be happy to provide you with more tickets. All money sold raffle tickets are to be turned into your Team Mom on March 3, 2012. The first raffle drawing will be done at Cap N Cake.

There will be a prize of a **La Bella's pizza party** for the **team** with the highest ticket sales. A **Game Truck party** to the **top ticket seller out of the entire league!** Winners will be announced at Cap N Cake March 10, 2012. Start selling those tickets!

Good luck,
Roxy Knight
